### **“A moving and prayerful journey”**

This unique presentation weaves song, music & narration to tell the life of St. Francis—the little poor man of Assisi “whose heart did not break until it embraced the world entire.” An inspiring and challenging man.

In Ireland and Scotland 2004, Peter was invited to present 'Good Morning Good People!' by Franciscan Friary Churches in eighteen cities and towns including Dublin, Galway, Glasgow & Edinburgh. It was described by a Franciscan Br. Niall O'Connell as “a moving and prayerful journey”. The Gorey concert offers an intimate and engaging experience with the composer Peter Kearney narrating, singing and accompanying on guitar. **Roma Dix**, on a brief visit from Australia will play flute. *Good Morning Good People!* is mainly for adults but would also be enjoyed by secondary and upper primary students.

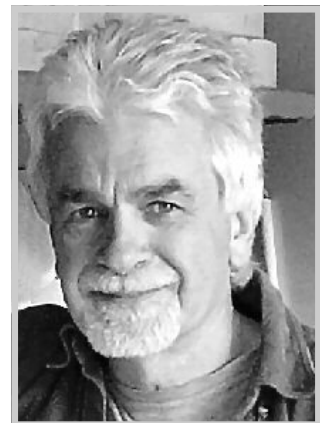

**Peter Kearney** is an Australian Catholic songwriter for whom music has been a full time work and ministry for over 20 years. Fourteen albums of his songs have been published.

*“I thoroughly enjoyed 'Good Morning Good People!'.
